The State Lands Commission shall make rules and regulations governing the conditions and procedure of such hearings.

On February 14, 1978, F. S. Sterns, Deputy Assistant Commander for Real Estate, United States Navy, addressed a letter to the State of California requesting that the State of California accept retrocession of exclusive jurisdiction of 38.69 acres, more or less, of land within Naval Air Station, Los Alamitos, Orange County. The request was made pursuant to authority granted the Secretary of the Navy under Title 10, United States Code, Section 2683.

On December 20, 1978, Calendar Item No. 24, the State Lands Commission, authorized a public hearing for the purpose of determining whether it was in the best interest of the State to accept retrocession of concurrent jurisdiction from the United States over the lands described in the letter of February 14, 1978.

The hearing was scheduled for January 22, 1978 at 10:00 a.m. at 1807 13th Street, Sacramento, California. Notice thereof was published in the Santa Ana Register, and notice of said hearing was personally served on the Clerk of the Board of Supervisors of Orange County. Affidavits of publication and service are filed in the records of the Commission.

The hearing was held as noticed. No comments regarding the retrocession were received at the hearing. The Sheriff of Orange County was contacted and has no comments on the proposed action.

The retrocession would be in the best interest of the State in connection with the administrative of local police power over the area.
